Hi there! I am a self-starter who is passionate about Javascript and constantly seeking out new challenges. I thrive in a fast-paced environment and have the ability to work independently and take ownership of my projects. I am excited to join a team that is tackling interesting problems and making a difference through technology. With my strong problem-solving skills and dedication to continuously learning and improving, I am confident that I can make a valuable contribution to your organisation.

Willing to relocate: Anywhere
